Hinterland
FESTIVAL OF LITERATURE AND ARTS - KELLS

21-24 June 2018

**Join the Friends of Hinterland and
support the festival at its roots.**

Our Festival needs Friends and Patrons help to make it happen.

By supporting, as a Friend at any level you'll help make an event which runs almost entirely on voluntary energy – happen. Hinterland was born out of our aim to create a Festival entirely of our own. Having graduated from a happy four years' partnership with the Hay Festival, we forged our way independently in the world and are very excited about our 2018 programme of events.

As a Friend you'll be helping fund the Festival itself – from venue hire, to printing, to bunting, transport and tech, we need funds to make it happen. Our budget is raised through grant aid, sponsorship - and donations.

Our Friends also support by sharing ideas, feedback, and input into the Festival itself. By learning we'll grow, improve and create a permanent presence for the Kells Hinterland Festival in Ireland's cultural calendar.

As well as the warm good feelings that come from joining a community of Festival friends, membership comes with benefits. Here are the details on what you can expect as a Hinterland Friend.

Friend Membership €50
